

Resident Advisory

Portable sports Equipment

Dear Residents,

This advisory is to inform you of Township Ordinance 265-2, Sports Equipment Regulations During Snowfalls, which states that all portable sports equipment and apparatus used in the public streets and rights of way of the Township are prohibited during the winter months from November 30 to March 31. All equipment such as basketball hoops, soccer nets, hockey goals, etc. must be removed to allow for proper plowing of Township streets. This will minimize any damage to the sports equipment and to the trucks while plowing. The streets right of way is the area from the curb to the residence side of the sidewalk.

Failure to remove said equipment may result in further action being taken by the Township code enforcement office.

Should there be any questions regarding the requirements do not hesitate to contact the code enforcement office at (732) 938-4500 ext. 2333.
